

**You're Invited to attend the 2nd Annual...**

**Integrating Carbon Footprint and  
Demand Response with Energy Efficiency**

**October 15-17, 2008**

**Aspen Meadows Resort, Aspen, CO**

Hosted by the City of Aspen Utilities

**Why attend?**

- ◆ Share with neighboring utilities how you are planning and implementing programs to promote energy/water efficiency, demand response and renewable energy supplies
- ◆ Learn best practices for integrating your program efforts in a more comprehensive manner
- ◆ Leverage efforts of other utilities to better coordinate your 2009 program planning efforts

**Agenda Advisory Committee**
