

Avoid costly water heater repairs.

You probably never think about your water heater – until the morning you have no hot water. Now what?

With Water Heater Repair Service, you don't have to worry about problems with your water heater. For just **\$4.99 a month**, you're covered for repairs up to \$750 a year, with no deductibles or service charges. In the event we are unable to repair your water heater, you can use the balance of the \$750 annual limit for the purchase and installation of a new water heater.

Peace of mind.

A dedicated emergency hotline is available 24 hours a day, 365 days a year. Plus, each technician is licensed, insured and certified so you never have to worry. Just one phone call takes care of your water heater problems quickly and easily!

Signing up is easy too!

Enroll today. Call toll-free 877.444.7751. Or return the enrollment form to the right. The \$4.99 monthly charge will be conveniently added to your electric bill, so there's no separate check to write.

Your enrollment in the program means that you are consenting and authorizing Progress Energy to share certain personal account information with Home Service USA and with Home Service's approved contractors, in order to provide service to you and for billing purposes. This means that you agree that Progress Energy may provide to Home Service your name, street address, home phone number and other contact details, your electric service account number and information about amounts that Progress Energy will bill to you for the program and amounts you pay or owe for the program. The Water Heater Repair Service is an unregulated service offered by Progress Energy to its customers in North Carolina and South Carolina, referred to as "Progress Energy." The Water Heater Repair Service is not part of the regulated services offered by Progress Energy. Purchasers of the Water Heater Repair Service will receive no preference or special treatment from Progress Energy. Customers do not have to buy products or services from the Water Heater Repair Service in order to continue to receive the same safe and reliable electric service from Progress Energy.
